THANKSGIVING IS COMING!

We want to wish all of our patients a VERY Happy Thanksgiving and upcoming holiday season! We would love for you to share with us your favorite memories and recipes during this time of giving thanks. Remember we all have something to be thankful for!

What to Expect When Getting a Dental Crown

HAVE QUESTIONS REGARDING CROWNS?

Crowns are an option to preserving your tooth after removing the decay. A crown can protect a weak tooth from potential damage. We always want to work with patients so they have the ability to choose the best dental options for themselves. Anytime you have questions, please reach out. Our financial coordinators are happy to help you figure out your out of pocket cost before starting any procedure.

MEET THE TEAM: AMBER

Hello! My name is Amber! I recently joined the Eby Family Dental Team in July 2022. I came with 4 years experience in the dental field. I have learned so much in the dental field mostly from on the job training from the best dentists. I'm eager to learn a great deal more from Dr. Eby. I love helping patients with their personal needs for a brand new perfect smile! Outside of work, I love spending time with family and friends. I have two dogs who love to get me outdoors!
